STATE OF MICHIGAN

SPECIAL TRIBUTE

AmeriCare Medical

47 Years of Workplace Excellence and Community Based Healthcare

LET IT BE KNOWN, That it is a pleasure to recognize AmeriCare Medical of Troy on the occasion of its 47 years of distinguished service and excellence in the workplace, healthcare, and Michigan communities.

For more than four decades, AmeriCare Medical and its affiliated organizations: Sun Medical, AmeriStaff Nursing, Rx iV Pharmacy and Oak Med Nursing and Rehab have established an exceptional record as an employer and healthcare provider. Throughout its history, the organization has employed more than 30,000 individuals, providing meaningful career opportunities, professional development, and economic security to thousands of Michigan residents and their families in the healthcare industry.

AmeriCare Medical has earned its reputation as a top workplace through a corporate culture built on respect, opportunity, loyalty, compassion, and a genuine concern for its employees. Its commitment to creating the best workforce is reflected in strong employee morale, extraordinary retention, educational and training opportunities, and the encouragement of employees to learn, grow, and advance throughout their careers.

Through nationally accredited healthcare programs and services (CHAP), AmeriCare Medical has demonstrated a commitment to extraordinary care, professional excellence, and the well-being of the patients and communities it serves. Its operations span important areas of healthcare, including hospital services and homecare, serving patients and healthcare partners throughout Southeast Michigan, and the greater Grand Rapids area.

For 47 years, AmeriCare Medical has demonstrated that being the best place to work is more than employment. It is about creating an environment where people can build meaningful careers, support their families, develop professionally, and make a lasting contribution to Michigan's healthcare system. Its enduring commitment to employees, patients, professional development, healthcare excellence, and community service has made AmeriCare Medical an exemplary employer and a distinguished contributor to the health of Michigan's residents. Its longstanding record of achievement and service is acclaimed, exceptional, and extraordinary, reflecting a 47-year tradition of putting people first.

IN SPECIAL TRIBUTE, Therefore, this tribute is signed and dedicated to recognize and honor AmeriCare Medical for 47 years of excellence in employment, workplace culture, healthcare services, employee development and community service. May its leadership and employees have our gratitude for their dedication to improving the health of countless Michiganders.
